All three cycles must be initiated within an 18-month time frame to qualify for the fee reductions according to the ART schedule as set up by SRMS. Frozen embryo transfers are discounted 20% regardless of the number of procedures performed as long as the DDPP is active.

This offer is being made available for a limited time and cannot be combined with any other discounts. Patient must be 21 years of age or older, void where prohibited.

These price reductions have been made available starting 1/1/2023. SRMS reserves the right to discontinue the DDPP program at any time. Fees are subject to change without notice.

We have read the information above, and our questions were answered to our satisfaction. We agree to participate in this limited opportunity to grow my/our family here at SRMS. Furthermore, we agree to be responsible for the payment of charges.
