I understand that the practice of medicine is not an exact science. I understand that while my physician has recommended these operations, treatments and procedures for my condition, no guarantee can be made that they will be successful. I have also received information on alternative options for my particular situation, including no treatment. I have neither asked for nor received any guarantee or promises as to the results to be obtained.

I have read and understand the above patient information packet(s), and I have had an opportunity to ask questions regarding the above topic(s) and have had them answered to my satisfaction.

I accept the possibility of complications with the use of the medication(s) and/or the performance of particular procedure(s) and wish to proceed with the above treatment(s) and procedure(s).
